

No Smoking / E.Cigarettes Policy

England: EYFS
3.55

1.1 Children's health and well-being is of the utmost importance for the nursery. Smoking has proved to be a health risk and therefore in accordance with legislation, the nursery operates a strict no smoking as well as a no vaping of E. cigarettes policy within its buildings and grounds. It is illegal to smoke or vape in enclosed places.

1.2 You are respectfully required to refrain from smoking and or vaping while on the premises. This rule also applies to staff, students, parents, carers, visitors, contractors etc.

1.3 Staff accompanying children outside the nursery are not permitted to smoke or vape. We also request that parents accompanying nursery children on outings refrain from smoking/vaping while caring for the children.

1.4 Staff must not smoke nor vape while wearing a nursery uniform as it is essential that staff are positive role models to children and promote a healthy lifestyle. If staff choose to smoke/ vape during breaks they are asked to cover their uniform and smoke away from the main entrance.

1.5 We respect that it is a personal choice to smoke or vape, although as an organisation we support healthy lifestyles.

This policy applies to all forms of electronic cigarettes.
